Profile

Computer science engineer with strong interest in Data Science, with research experience across Taiwan, the USA, and France. Strong in C++/Python, machine learning, and data science.

Education

B.E. in Computer Science (Honors in Data Analytics) **May 2021 – May 2025**

Chandigarh University, India *GPA: 7.75/10*

- Coursework: data structures & algorithms, operating systems, computer networks, DBMS, calculus, linear algebra, probability.

Exchange Semester (Fall 2024) **Aug 2024 – Dec 2024**

American University *Washington, DC, USA*

Exchange Semester (Fall 2023) **Sep 2023 – Feb 2024**

ESME School of Engineering *Paris, France*

Publications

- **Evaluating Large Language Models on Code Generation with Code-Mixed Prompts** (2025). Preprint. arXiv 2505.05063.

Research

AI Intern **Aug 2025 – Feb 2026**

Chang Gung University, Biotechnology Lab (Prof. Chung-Ming Chang) *Taiwan*

- Build full-stack LLM prototypes for dermatology under a Taiwan Ministry of Education project.
- My team received 導入級 (third-tier) recognition in the Taiwan Computer Association (TCA) Startup Competition. Feb 13, 2026.

Research Intern **Jan 2025 – May 2025**

Yuan Ze University, Computer Graphics Lab (Prof. Yu-Ting Tsai) *Taiwan*

- Co-created **CodeMixBench**, a benchmark for code generation with code-mixed prompts (Hinglish, Spanglish, Pinyin-English; 6k+ prompts). Hugging Face.
- Released dataset + evaluation scripts and co-authored the accompanying paper.

Industry Experience

Software Engineer Specialist **Feb 2026 - Present**

Handshake AI *Remote*

- Evaluated agentic LLMs on complex terminal workflows using Terminal-Bench to benchmark command-line tool capabilities.
- Benchmarked software engineering agents on real-world repositories via SWE-bench to resolve issues end-to-end.
- Developed and open-sourced domain-specific AI datasets and models for financial analytics and agentic workflows.

AI & Data Science Intern (FIN Digital) **Sep 2024 – Dec 2024**

American University *Washington, DC, USA*

- Built an end-to-end ML pipeline on Google Vertex AI from data ingestion to deployment.
- Prototyped LLM-based scholarship recommendations for student-athletes.

Projects

Open-Source LLM Evaluation Framework **Jan 2025 – Apr 2025**

Modular evaluation CLI + notebooks

- Open-source Framework to benchmark 17 code-generation models on multilingual prompts. GitHub.
- Designed for reproducible evaluations and lab use.

TensorFlow Lite Model for Sign Language Recognition **May 2023 – Aug 2023**

Edge-optimized transformer model

- Deployed an edge-optimized sign language fingerspelling model using TensorFlow Lite.
- Collected and augmented 3M frames, improved low-light robustness of image detection. Released an edge-optimized model card: ASL-TFLite-Edge.

Competitions & Recognition

- **Startup Competition (Taiwan Computer Association, TCA)**. **NexAI** team received 導入級 (third-tier) recognition. Announced Feb 13, 2026.

Skills

- Programming: C++, Python, Java, Shell; STL.
- AI/ML: PyTorch, TensorFlow, Hugging Face; LLM evaluation and deployment.
- Tools: Git; FastAPI; React/Next.js; CI/CD; CMake.
- Operating systems: Linux, Windows.

Certifications

- Google: TensorFlow Developer Certification (Sep 2023).
- IIT Kharagpur (NPTEL): Programming in Modern C++ (Apr 2022).
- freeCodeCamp: JavaScript Algorithms and Data Structures (Developer Certification).
- Udemy: Next.js & React (Jul 2022).
- IBM: Data Visualization with R (Jul 2022).

Academic Referees

Dr. Navjeet kaur *Chandigarh University, India*

AssociateProfessor & Program Leader (BDA), Department of Computer Science and Engineering (BDA), Apex Institute of Technology (CSE)

Chandigarh University, Gharuan, Punjab, India

Tel: +91 9646583821 Email: navjeet.e16069@cumail.in

Prof. Yu-Ting Tsai *Yuan Ze University, Taiwan*

Associate Professor and Department Chair, Department of Computer Science & Engineering, Graduate Program in Biomedical Informatics

Tel: +886-3-463-8800 ext. 3008 Email: yttsai@saturn.yzu.edu.tw

Website: cg.cse.yzu.edu.tw

Dr. Chung-Ming Chang, DVM, PhD *Chang Gung University, Taiwan*

Assistant Professor, Laboratory of Integrative One Health Research Innovation and Entrepreneurship Program, Master & PhD Program in Biotechnology Industry

No. 259, Wenhua 1st Rd., Guishan Dist., Taoyuan City 33302, Taiwan (ROC)

Tel: +886 3 211 8800 ext. 3584 Email: chungming.chang@gmail.com, cmchang@mail.cgu.edu.tw
